BAYSIDE KEY HOA

This notice is to inform homeowners that the locks to the pool and tennis court are to be changed.

Unfortunately this has become necessary because some residents have duplicated keys and given them to non-residents. The new keys will not be able to be duplicated.

Each unit will be given ONE key. Additional keys will be available at a cost of \$20 per key.

The board regrets that this has become necessary but feel that this is in the best interests of the association.

Please note – unit owners who are delinquent on their maintenance fees will not be issued a key until they become current on their fees.

Keys will be available for pick up at the picnic area behind the pool on:

3rd May

4th May

10th May

Between the hours of 9am and 10am.

You must bring a driving license or utility bill with unit address before a key will be issued.
